NimbusDesk Billing and Refund Policy

Version 2025.1 | Published 2025-04-01 | Brightwave Systems

1. Plans and Pricing

NimbusDesk is offered in three plans billed per user per month: Starter at 12 USD, Pro at 29 USD and Enterprise at 59 USD. Enterprise invoice billing requires a minimum of 25 seats.

2. Invoicing and Payment

Invoices are issued on the 1st day of each billing month. Payment is due within 14 days of the invoice date. If an invoice is more than 7 days overdue, the workspace becomes read-only until payment is received. A late fee of 1.5 percent per month applies to overdue balances. Accepted payment methods are credit card, ACH transfer and, for Enterprise only, invoice.

3. Refunds and Credits

Annual plans can be refunded in full within 30 days of purchase. Monthly plans are not refundable. When a workspace downgrades to a lower plan, unused time is converted into account credit and is not paid out in cash. Added seats are charged pro rata immediately, while removed seats take effect at the next billing cycle.

4. Discounts and Taxes

Customers who pay annually receive a 15 percent discount compared with monthly billing. Non-profit organisations receive an additional 10 percent discount on request. Applicable VAT or GST is added to every invoice.
